"SYRUP OF FIGS" FOR CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomach, liver and bowels

Every mother realizes, after giving her children "California Syrup of Figs," that this is their ideal laxative, because they love its pleasant taste, and it thoroughly cleanses the tender little stomach, liver and bowels without gripping.

When cross, irritable, feverish or breath is bad, stomach sour, look at the tongue, mother! If coated, give a teaspoonful of this harmless "fruit laxative," and in a few hours all the foul, constipated waste, sour bile, and indigested food passes out of the bowels, and you have a well, playful child again. When its little system is full of cold, throat sore, has stomach ache, diarrhoea, indigestion, colic—remember, a good "inside cleaning" should always be the first treatment given.

Millions of mothers keep "California Syrup of Figs" handy; they know a teaspoonful today saves a sick child tomorrow. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and grown-ups printed on the bottle. Beware of counterfeits sold here, so don't be fooled. Get the genuine made by the "California Fig Syrup Company," advertisement.

A wireless message was received last night by Mrs. J. G. Silva of 1224 Lisbon street containing the news of the death in Hilo at 5 o'clock, of her father, J. M. Levinho. The news was not altogether unexpected, as the deceased had been in ill health for some months past. Mr. Levinho came to Hawaii from Portugal 30 years ago in company with his wife, and since that time has resided in Kauai and Hilo. Deceased was 56 years old at the time of his death, and is survived by a widow and several children and grandchildren, all of whom are living in the islands.

The winner among twenty-nine entries in a contest for military airplane engines that will last several months will receive a \$25,000 prize from the British Government.

BIJOU PLAYERS ARE TOO BUSY FOR JOY RIDES

Miss Dodie Canfield Emphasizes Denial Made Through Star-Bulletin Yesterday

Emphasizing the statement made in the Star-Bulletin yesterday that the rumor that the young women accompanying William Welsh and Charles A. Reynolds on the joy-ride which ended in the probable fatal injury of Mounted Officer Manuel P. Moranho were members of the Juvenile Bostons had met with vigorous denial, Miss Dodie Canfield delivered a short curtain speech at last night's performance at the Bijou theater.

The youthful actress pointed out that the report, which had gained broad circulation throughout the city, was without foundation and had met with denial from the management of the company, which denial was made public through this paper yesterday afternoon.

Miss Canfield said:

"Ladies and Gentlemen:—In behalf of our managers, I wish to say that we thank you for your kind indulgence and patronage at our performances. As we are producing two shows per week, one of which is absolutely new to the members of the company, we are compelled to work hard that we may give you satisfaction.

"Required to rehearse at every opportunity, we are forced to refuse all social invitations. As for joy-riding after the show, that is a diversion which no Juvenile Bostonian ever indulges in. We have no desire and we have no time for such questionable pleasures. I thank you."

FIVE MINUTE CURE IF STOMACH IS BAD

When "Pape's Diapiesin" reaches stomach all indigestion, Gas and Sourness disappear

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapiesin is noted for its speed in giving relief; its harmlessness; it's certain unfailing action in regulating sick, sour, gassy stomachs. Its millions of cures in indigestion, dyspepsia, gastritis and other stomach trouble has made it famous the world over.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them; if what they eat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapiesin comes in contact with the stomach all such distress vanishes. Its promptness, certainty and ease in overcoming the worst stomach disorders is a revelation to those who try it.—advertisement.

KAMANOUU HAS PLANS FOR WORK IF HE'S CHOSEN

John K. Kamanouu, Republican candidate for representative from the Fourth district, issues the following statement of particular objects for which he will work if elected:

To the voters of the Fourth district: Having announced myself as a candidate in the coming primary election, on the Republican ticket for representative from the Fourth district, I now come before the voters of the Fourth district to pledge myself to do what I can in the legislature, if elected, where I have been honored for two successive sessions. My record speaks for itself.

My aim is the enlargement of our school system, so as to provide enough room for children that are daily refused entrance on account of lack of space.

To provide better facilities for our reformatory schools.

The enlargement of our harbor for commercial purposes.

To provide a government cemetery for the burying of the dead.

To help to modify our tax laws.

As the city is growing our water system ought to be enlarged.

And, furthermore, to do anything for the public welfare.

Born and raised in Honolulu, a resident for 46 years, I feel it is my duty to help my own country in promoting it.

"Republicanism means prosperity."
